

2018-2019 PERFORMING COMPANY AUDITIONS

Friday June 15th and Saturday June 16th

Please join us for ShowBiz Academy of Dance Performing Company Auditions. SBAD Performing Companies are comprised of the most dedicated and talented dancers who are given the opportunity to perform and compete amongst the community and regional area. Dancers who are selected work with innovative dance instructors and award winning choreographers throughout the year. Most importantly, SBAD Performing Companies develop technical excellence, poise and confidence while creating unforgettable memories.

We would like to give all dancers at SBAD an opportunity to achieve maximum growth in all areas. The instructors at SBAD are dedicated to help the students reach their goals during our Summer Intensive 2018 before all pieces are selected for our 2018-2019 season.
